

R2W Guidelines

Please help us maintain a PG-13 family-friendly environment.

Classifieds

1. All classified ads must include a PRICE and your LOCATION. Items for trade do not need a price but they do need a value range. Please give a good description of the item you are trying to sell. Take the guessing out. Pictures help a lot.
2. No Commercial postings in the classifieds, unless you are a site sponsor or you have approval from Admin.
3. Do Not post your telephone number in your classified ad. Please communicate through messaging and exchange numbers there. This is a public site.
4. Absolutely No price Policing. If you don't like the price posted just move along.
5. Multiple Ads - Users may have no more than 2 classified threads open in the same section at any time, unless you are site sponsor or you have the approval from Admin.
6. Do not post links to auction sites of your classified ads on other sites.
7. It is your responsibility to know the federal and state laws regarding what you are selling or buying and how to legally transfer it to yourself or to someone else.
8. You may only "Bump/to the top" your ad once in 24 hours.
9. Benefits or Raffle threads are not allowed unless they are approved by the Admin.

5. All the message boards are categorized by topics. Please post in the appropriate section.
